RE: LETTER OF RECOMMENDATION FOR TRANS AFRICAN SUPPLY SERVICES LIMITED.

This is to confirm that Trans African Supply Services Limited of Adam House, P.O.Box 29300, Kampala, Uganda has been involved in the Supply and Installation of Solar Equipment under the Buganda Kingdom project, solar electrification of Kasubi Royal Tombs.

| District | Institution | Scope of Work | Date of Completion | Value of Contract |
|----------|--------------------|---|--------------------|-------------------|
| Kampala | Kasubi Royal Tombs | Supply and installation of 18Kw Solar Mini Grid | 15.May.2015 | UGX 543,693,585 |

TASS has extensive experience obtained over years of participation in various projects in Africa, therefore due to their performance, The Kingdom of Buganda contracted them to supply and install solar equipment to the World Heritage Site of Kasubi Royal Tombs during the reconstruction of Muzibu-Azaala- Mpanga project.

We have found them to be professional and their work satisfactory. It is against this background, that I recommend this company to you for the desired assistance.

Ssekimpi M. Ssemambo,
2nd Deputy Katikkiro and Minister for Culture, Heritage, Royal Tombs & Tourism.
