To whom it may concern

12th February, 2013

Dear Sirs,

Letter of Reference Design and Installation of 10 kWp Mini-Grid at Kisiju Village Tanzania

TANZANIA Trading House Ltd. herewith confirms that:

ekoTechnologia Sp. z.o.o.
Szeroka 42/1, 87 Torun
Poland

has been contracted for design, installation, training and commissioning of 10 kWp Research Mini-Grid at Kisiju Village Tanzania.

ekoTechnologia has to our full satisfaction installed and commissioned the following system:

10 kWp Solar Array and Sub Structure, Charge Controlling and Switch Gear, 12000VA Inverter and Monitoring System, 5000Ah 48V Battery Back-up, Connection to 80 Residents and 15 Street Lights.

Extensive Training was provided to the end-user on all aspects regarding Operation and Maintenance.

Yours sincerely,

TANZANIA Trading House Ltd

Leonard Kitwara
