Dear Sirs,

Letter of Reference - Design and Manufacturing of Solar Home Systems

We hereby confirm that Village Power AG and its associated group companies have a longstanding business relationship with

ekoTechnologia Sp. Z.o.o., Szeroka 42/1, 87 Torún, Poland

During this business relationship EkoTechnologia, designed, developed and produced a range of Solar Home Systems.

Just over the last three years we have purchased more than 10.000 Solar Home Systems from ekoTechnologia. These systems represent a purchasing volume of close to 1 million USD.

We have always been very satisfied with the products and services delivered by ekoTechnologia.

Best Regards

Thomas Huth
